*To The Patients, Associates and Colleagues  
Of Dr. Angelo J. Rubano*

It is with great pleasure that I recommend Dr. Rubano as the most competent and knowledgeable chiropractor I have encountered in my sixteen years of practicing personal injury law. Dr. Rubano and I have not only had a great working relationship but I was also treated as a patient by Dr. Rubano. His knowledge and bedside manner are unparallel in the field of medicine. It is my privilege to highly recommend Dr. Angelo J. Rubano.

Very truly yours,

LAWRENCE A. LEBROCQ
