Re: Dr. A.J. Rubano

August 1, 2008

To Whom It May Concern:

I have the pleasure of knowing Dr. Rubano both professionally and as a friend. Having this relationship, I have had the pleasure of hearing him speak to groups of people in the pulpit of a church, semi-formal, and informal settings. Therefore, I candidly and truthfully say, that Dr. Rubano consistently captivates his audience in the manner and method of his speech. He delivers his speech in such a manner that grabs and maintains the listener's attention and teaches the subject in such clarity and level that the common man will be able to understand the cord of the subject matter.

Knowing that the audience will greatly benefit by Dr. Rubano's teaching, I highly recommend him as a teacher and speaker. In addition, knowing that Dr. Rubano is a person that strives to be the best in whatever endeavor he undertakes, I know he will continually progress in his skills.

Sincerely,

Edward Rosado, Esq.
